MICHIGAN MERIT CURRICULUM (MMC) High School Graduation Requirements

Effective for Students Entering 8th Grade in 2006 (Class of 2011)

To prepare Michigan's students with the knowledge and skills needed for the jobs in the 21st Century, the State of Michigan has enacted a rigorous new set of statewide graduation requirements that are among the best in the nation. With these new graduation requirements, students will be well-prepared for future success in college and the workplace.

The Michigan Merit Curriculum requires students entering 8th grade in 2006, to obtain a minimum of 16 credits for graduation, which could be met using alternative instructional delivery methods such as alternative course work, humanities course sequences, career and technology courses, industrial technology or vocational education courses, or through a combination of these programs. In addition, students entering the 3rd grade in 2006 (Class of 2016) will need to complete two credits of a language other than English in grades 9-12; OR an equivalent learning experience in grades K-12 prior to graduation.
